

SIMB eNEWS ADVERTISING OPPORTUNITY

Online advertising is an effective way to reach your target audience and should be part of your marketing strategy. Get in front of the customers you want to reach with a SIMB eNews banner advertisement.

Society for Industrial Microbiology and Biotechnology (SIMB), founded in 1949, is a nonprofit, international association dedicated to the advancement of microbiological sciences, especially as they apply to industrial products, biotechnology, materials, and processes.

Reach the readers of the association for scientists and companies in the general field of microbiology.
