

# SPONSORSHIP OPPORTUNITIES & BENEFITS

## 2019 Society for Industrial Microbiology & Biotechnology Annual Meeting and Exhibition

The SIMB Annual Meeting is a one-of-a-kind opportunity for scientists from around the world to network and share ideas in the field of industrial microbiology and biotechnology. The scientific program consists of over 30 symposia covering advances in biocatalysis, fermentation and cell culture, environmental microbiology, metabolic engineering, and natural products.

Sponsorship provides financial support for the conference and is an excellent way to provide visibility for your organization, promote your brand, and gain access to the 600-700 attendees. There are a variety of sponsorship packages and opportunities for organizations of all sizes.

**Please note:** Sponsorship opportunities may be partial or shared, with approval by SIMB.
